IMAGINE
YOUR FUTURE

LEARNING IN ACTION

At Cal Lutheran, we encourage you to be an active participant in your education. With an emphasis on experiential work both in and out of the classroom, you'll turn theory into practice, learn one-on-one with expert faculty, and engage with your classmates in a collaborative environment.

Our programs are designed to help you discover and strengthen your own sense of purpose, while building a support system of faculty, mentors, and peers that lasts far beyond graduation. You'll have hands-on, high impact learning experiences that include:

- Coursework focused on real-world scenarios
- Undergraduate research opportunities
- Study abroad and travel seminars
- Internships
- Creative projects, performances, and exhibitions

With challenging academic programs, outstanding faculty, small classes, and an emphasis on hands-on learning, each program at Cal Lutheran positions you to succeed in your chosen career.

YOUR HOME AWAY FROM HOME

Nestled halfway between the metropolitan Los Angeles and laid-back Santa Barbara, Thousand Oaks—one of California's safest cities—offers the perfect blend of city, beach, mountains, and college life. With 330 days of sunshine and year-round temperatures hovering close to 70 degrees, you'll spend a lot of time outdoors here.

It's not just the Southern California sun, or the short distance to the coast. What really sets Cal Lutheran apart is our community—a welcoming place where you're encouraged to discover your purpose and empowered to put it into action.
