Sirs/Madam,

RE: APPRECIATION FOR PARTICIPATION IN THE CIPC iXBRL PILOT PROJECT PLANNED FOR 15 FEBRUARY 2018 – 15 MARCH 2018

I hereby would like to extend my special thanks to you for your participation in the Pilot Phase of the CIPC's flagship iXBRL Programme scheduled to start on 15 February 2018.

The purpose of the Pilot Phase is to test successful data exchange between your Software and the CIPC iXBRL Solution in preparation for the CIPC's mandate of submission of Annual Financial Statements (AFSs) via XBRL as from 1 July 2018.

Please be assured that XBRL stands to benefit both the CIPC as a regulator, our economy in general and client entities in significant ways. Your role in the achievement of these Pilot Testing milestone of XBRL as a Digital Financial Reporting Standard in South Africa, is highly appreciated.

Yours faithfully

Adv. RW VOLLER
