As a build up to the XBRL SA Conference to be held at Gallagher Convention Centre on the 14th of August 2019 and in collaboration with XBRL South Africa, the Companies and Intellectual Property Commission (CIPC) brings you a set of training on XBRL and inline XBRL on the 13th and 15th of August 2019.

Introductory training: application of iXBRL in South Africa

13 AUGUST 2019

The first training is dedicated for anyone who requires introductory knowledge on what XBRL is and how it fits in within a South Africa context. Training will be delivered in the form of two half-day sessions, each following the below agenda items:

· Welcoming remarks
· Introduction to XBRL and inline XBRL
· XBRL – Business or ICT Matter
· XBRL in South Africa: journey to date
· IFRS and CIPC XBRL taxonomies overview
· CIPC filing rules and guidelines
    o Who is affected?
    o How to submit the filings on CIPC e-services?
    o What are the technical rules and constrains?
· AFS submission history and common issues
· Important Reference Material
· Next steps

Format: 2 x 1.5 hours
Morning session:
9:00 – 12:30
Afternoon session:
13:30 – 17:00
Venue:
Dollar Room, SAICA, 17 Fricker Road, Illovo
