B. INI BUILDING SAFETY & SECURITY

1. Emergency & Non-Emergency Procedures

A. Reporting Emergencies & Calling for Help

During Business Hours (Monday through Friday from 9:00 a.m. to 5:00 p.m.)

Students should report emergencies (such as leaks, electrical faults, flooding, power outages, etc.) to the nearest INI staff member or CMU Police.

After Business Hours (Monday through Friday from 5:00 p.m. to 9:00 a.m. and Saturdays & Sundays)

Students should report emergencies to Campus Police by using the blue light emergency

call boxes or by calling from a personal phone.

- Blue light emergency call boxes connect directly to Campus Police and are located at:
 - First floor: Inside the Henry St. main entrance.
 - INI Student Floor: To the right of the elevator.
- Calling from a personal phone:
 - Campus Police: 412-268-2323
 - Allegheny County emergency dispatch: Dial 911

B. Responding to Fires

In the event of a fire, activate the building fire alarm, using the nearest red fire alarm station. Fire alarm stations are located near exits and at stair entries and can be activated by pushing in, then pulling down on the lever.

Once the alarm is activated, if possible, students should quickly put out the fire using a fire extinguisher. Fire extinguishers are located as follows:

- Near reception desk on Winthrop level
- Near the Henry Street lower-level entrance (front of the building) near printer stations
- Inside front and back stairwells on all floors

If it is not possible to extinguish the fire, students should evacuate the building.

Any time the fire alarm is sounded, students must quickly evacuate the building using the stairs. The evacuation route maps are posted at various locations on all floors of the INI Building. Students should never use the elevator when the fire alarm is activated.

The INI Fire and Emergency Action Plan illustrates evacuation routes and gives instructions for proper procedures to follow in emergency situations that are pertinent to the INI Building.

Review the [Fire and Emergency Action Plan](#) for the INI Building.

C. Elevator Emergencies

If riders become stuck in the elevator, they should use the emergency phone located in the cabinet below the buttons to call for help and then report the incident by emailing ini-help@andrew.cmu.edu.

D. First Aid Kits

First aid kits for non-emergency medical issues are in two locations:

- INI Student Floor: in the labeled cabinet above the counter
- Winthrop level: in the labeled cabinet to the right of the DEC@Henry exit and across from the Winthrop level reception area

These kits include supplies for minor injuries (bandages, ointment, etc.). If there is a medical emergency, call Campus Police at 412-268-2323.

If the first aid kits need to be replenished, please send an email to ini-help@andrew.cmu.edu.

For medical emergencies call Campus Police at (412)-268-2323.

E. Automated External Defibrillator (AED) Devices

Automated External Defibrillators (AEDs) are devices designed to restore the heart's normal rhythm in the event of cardiac arrest. AEDs can be found within buildings throughout campus. Decals posted on building entrances will indicate if and where the AED can be found.

There is an AED device located on the first floor inside the main entrance on the wall across from the elevator.

Training is not required to use an AED; a recorded voice will provide step-by-step instructions. However, the CMU Environmental Health and Safety offers Cardiopulmonary Resuscitation (CPR) and AED classes.

For more information including an AED Locations and Emergency Communication Devices Map, please visit the [CMU EHS site](#).

F. Crime Prevention & Safety Tips

The CMU Police Department (CMU PD) provides police services 24 hours a day, year-round. Police officers patrol all university-owned and leased property including the INI Building, and, when needed, respond to and investigate crimes and other emergencies.

The CMU PD is committed to providing a safe and secure environment for everyone within our campus community through education and learning. Please review the basic safety tips below and learn more about the [safety training and education programs](#).

- Stay alert to your surroundings at all times.
- Avoid walking alone, especially after dark.
- Use the University Shuttle/Escort Service when possible (more information is available at the [CMU Parking & Transportation](#) website.)
 - [CMU Shuttle Service](#): Fixed route, fixed-stops transportation.
 - [CMU Escort Service](#): Services the Squirrel Hill, Shadyside, and Oakland neighborhoods in the evenings and at nighttime, between 6:30 p.m. and 4:15 a.m., cycling every 45 minutes.
- Stay close to friends and do not interact with strangers.
- Do not approach a suspicious person or vehicle.
- Avoid using devices that impair your hearing or sight while walking.

268-2323, or when off campus to the Pittsburgh Police at 9-1-1.

Visit the [CMU PD website](#) for more information and [safety training and education resources](#).

Visit the [CMU Transportation Services website](#) for information about the [CMU Shuttle](#) and [CMU Escort services](#).

G. Non-Emergency Issues

Students should report all non-emergency building issues (such as burned-out lights, shortage of supplies, non-operational equipment, damage to furniture or fixtures, etc.) by emailing ini-help@andrew.cmu.edu. This email account is monitored by several INI staff members and is the most efficient way to receive a response to your request.

Report non-emergency building issues to ini-help@andrew.cmu.edu.

2. Building Access

A. Card Scan Users

The INI Building is a secure building. INI Building access is managed through the central CMU card-scan system and is restricted to INI students, faculty and staff. Students must scan their valid and authorized CMU ID card at the card readers located near the INI entrances on the Henry Street side.

Non-INI students who are registered for classes located at the DEC@Henry are authorized to access the Winthrop level of the INI Building during their class time only, by scanning their valid and authorized CMU ID card at the card reader located at the Henry Street lower-level entrance or the Winthrop Street entrance.

When entering the INI Building, students should make sure that the door locks behind them to prevent unauthorized people from entering the building.

Students may not congregate near INI entrances and lobbies on the first floor and Winthrop level.

For issues with your CMU ID card and accessing the INI Building, please email: ini-help@andrew.cmu.edu.

Additional information regarding CMU ID cards is available on the [CMU ID Card Services website](#).

B. Visitors & Guests

Anyone who does not have card access to the INI Building is a visitor/guest.

Students are permitted to have guests in the building and must meet them at the Henry St. main entrance to let them in. The INI Front Desk will not let in guests for students. Students are responsible for their guests.

Student Teaching Assistants (TA) holding office hours for non-INI students at the INI Building need to communicate with the INI Front Desk to make arrangements for visitors.

Students should not let anyone they do not know into the building. The INI Front Desk will handle visitors who are not guests of INI students.

3. Building Alarm

The building has an alarm system, which will sound if an exterior door is held open for a sustained period of time (approximately one minute) or if an emergency door is opened. Please do not hold any exterior doors open, and do not use the emergency exits, except during emergency evacuation.

If an alarm is activated, the Guardian Protection security firm will be notified, and CMU Police will be contacted to assess the situation. Students are not authorized to touch the alarm keypads.

4. Video Surveillance

For security purposes, video surveillance cameras are in use on the INI premises, and the CMU Police works with the INI to monitor the safety of the building. To protect personal privacy, video footage is accessed only when an incident occurs, and a police report is filed.

The Campus Police patrol the INI Building and surrounding area.
