Type of qualification : Bachelor  
Subject or field : B.Sc. in Computer Science and Mathematics  
Year of qualification : 1982  
Name of institution : University of Aston in Birmingham  
Country : United Kingdom  
Type of qualification : Master  
Subject or field : M.Sc. in Computer Science with Applications  
Year of qualification : 1983  
Name of institution : University of Aston in Birmingham  
Country : United Kingdom  
Type of qualification : Research Doctoral degree/PhD  
Subject or field : Ph.D. in Computer Science

Year of qualification : 1989

Name of institution : University of East Anglia, Norwich

Country : United Kingdom

### Specialist Field :

1. EACEA – Erasmus+ -> Education
2. EACEA – Erasmus+>Education -> International cooperation (drop down list of Regions of the world to be added)
3. EACEA – Erasmus+>Education -> Adult Education
4. EACEA – Erasmus+>Education -> Higher Education
5. EACEA – Erasmus+>Education -> Vocational Education and Training (VET)
6. EACEA – Erasmus+>Education -> ICT based learning
7. EACEA – Erasmus+>Education -> Dissemination of results
8. EACEA – Erasmus+>Education -> Exploitation of results
9. EACEA – Erasmus+>Education -> Education policies
10. EACEA – Europe for citizens -> Valorisation and capacity building
11. EACEA – Generic skills -> Programme/project/thematic/monitoring
12. EACEA – Generic skills -> Report assessment
13. EACEA – Generic skills -> Event moderation
14. EACEA – Generic skills -> Evaluation of programmes/projects
15. EACEA – Generic skills -> Impact evaluation
16. H2020->Science->NATURAL SCIENCES->Computer and information sciences->Computer sciences, information science and bioinformatics -> Bioinformatics, e-Health, medical informatics
17. H2020->Science->NATURAL SCIENCES->Computer and information sciences->Computer sciences, information science and bioinformatics -> Computer systems, parallel/distributed systems, grid, cloud processing systems
18. H2020->Science->NATURAL SCIENCES->Computer and information sciences->Computer sciences, information science and bioinformatics -> Software engineering, operating systems, computer languages
19. H2020->Science->NATURAL SCIENCES->Computer and information sciences->Computer sciences, information science and bioinformatics -> Web and information systems, database systems, information retrieval and digital libraries, data fusion
20. H2020->Science->NATURAL SCIENCES->Computer and information sciences->Computer sciences, information science and bioinformatics -> E-learning, user modelling, collaborative systems

### Pre-defined Themes :

2. EACEA – Erasmus+
10. EACEA – Europe for citizens
7. Horizon 2020 ->Horizon 2020 areas->Marie-Sklodowska-Curie Actions
8. Horizon 2020 ->Horizon 2020 areas->Information and Communication Technologies
1. Horizon 2020 ->Horizon 2020 cross-cutting issues->Innovation (technological as well as non-technological), including social innovation, innovation processes and management
4. Horizon 2020 ->Horizon 2020 cross-cutting issues->International cooperation in science and technology
6. Horizon 2020 ->Horizon 2020 cross-cutting issues->Use of the results of research and innovation projects, dissemination knowledge transfer and intellectual property rights
5. Horizon 2020 ->Horizon 2020 cross-cutting issues->Research career development, doctoral training and enhancement of skills
3. Horizon 2020 ->Horizon 2020 cross-cutting issues->Programme monitoring and evaluation
9. Horizon 2020 ->Horizon 2020 cross-cutting issues->Research and innovation policy

## Employment History :

Job number : 1  
 Job Title: Professor of Computer Science  
 Organisation Name: University of Cyprus  
 Organisation Town/City: Nicosia  
 Organisation Country: CY

Organisation Type:

1	Higher Education Establishments	H2020
2	Higher education	EACEA

Organisation Size: 500-1999 employees  
 Department/Sector/Field: Department of Computer Science  
 Employed From: 02/1992  
 Employed To:  
 Current Job: Yes

No. of years' experience : 15 or more years

Have you ever worked in the industrial sector? : Yes

1990-1992, working for a company developing real-time and mobile systems

What is your current work situation ? : Employed

## Experience :

Have you assisted the European Commission in tasks related to its research programme(s) ? Yes

1	* Proposal evaluator : Please see the answer to the question on experience below for further details	H2020
2	* Project review : Please see the answer to the question on experience below for further details	H2020
3	* Programme committee member : Please see the answer to the question on experience below for further details	H2020
4	* Programme committee expert : Please see the answer to the question on experience below for further details	H2020
5	* Key action advisory group expert : Please see the answer to the question on experience below for further details	H2020
8	* Other activity / contract : External Expert for the project I-TUTOR (519058-LLP-1-2011-1-IT-KA3-KA3MP). Expert for the project EMUNI University (ENPI/2009/226-479)	H2020

Have you participated previously as a Chairperson? No

Have you participated previously as a Rapporteur? Yes

Have you participated previously as an Independent Observer ? No

Have you any other experience in peer review or evaluation ?

Yes

Major achievements (including patents, conference participation etc.)

He has published over 150 papers as book chapters or in internationally refereed journals and conferences, he serves in the Editorial Board of 5 international journals and has served as a Chair or Program Committee member in more than 100 international conferences. Professor Papadopoulos is a recipient of an 1995 ERCIM-HCM scholarship award. He has been involved or is currently participating, as coordinator or partner, in over 70 internationally and nationally funded projects (total budget for his participation around 7 MEURO) and he has been invited by the E.U. as an Expert Evaluator or Reviewer more than 50 times. He is the Director of the Software Engineering and Internet Technologies (SEIT) Laboratory (<http://www.cs.ucy.ac.cy/seit>). More information can be found in his personal web site at: <http://www.cs.ucy.ac.cy/~george>.
