2024/2025 HEF LOANS, BURSARIES AND SCHOLARSHIPS

This is to inform all the students that the Higher Education Loans Board (HELB), in conjunction with the University Fund Board (UFB), has opened the portal for 2024/2025 first-time and subsequent loan & scholarship applications.

First-time undergraduate scholarship, loan, and bursary applications
This applies to students applying for loans and scholarships for the first time. It covers applicants under the new funding model (those who sat for KCSE in 2022 and 2023 only) and the old funding model (those who sat for KCSE before 2022). Students below the age of 18 years are required to use their KCSE index number and attach a copy of their birth certificate in place of their national ID card. Also, those with waiting cards can use them in place of the ID card. Kindly visit **www.hef.co.ke** for steps on how to apply.

Subsequent undergraduate scholarship and loan applications

This applies to undergraduate continuing students under the new and the old funding model. To apply, you are required to download the HELB App from the Google Play Store and use the USSD Code by dialing *642# to proceed.

The closing date of application for the **first time** and **subsequent** funding is **31st December 2024;** however, the early bird catches the worm. HEF loans and scholarships are processed and disbursed on a first-come, first-served basis. If you encounter any difficulties during the application process or have questions about the HEF funding, please visit the Financial Aid Office or the Office of the Registrar AA&R for assistance.

Thank you
