

# DELHI TECHNOLOGICAL UNIVERSITY

## END TERM EXAMINATION, MAY -2024

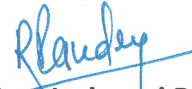

### FINAL DATE SHEET: M. Sc. (Physics, Chemistry, Maths & Biotechnology)

| Date & Day                | Second Semester<br>02.00 PM to 05.00 PM |   | Fourth Semester<br>02.00 PM to 05.00 PM |   |
|---------------------------|---|---|---|---|
| 01.05.2024<br>(Wednesday) | MSBT102                                 | Immunology  | EP404                                   | ALTERNATE ENERGY STORAGE AND CONVERSION DEVICES |
|                           | MSCH102                                 | Molecular Symmetry and Group Theory                     | CH426                                   | Biofuel Engineering                             |
|                           | MSPH102                                 | Advance Quantum Mechanics                               |   |   |
|                           | MSMA102                                 | Complex Analysis  |   |   |
| 02.05.2024<br>(Thursday)  |   |   | MSBT204                                 | Genomics and Proteomics                         |
|                           |   |   | MSCH202a                                | Special Paper in Inorganic Chemistry            |
|                           |   |   | MSCH202b                                | Special Paper in Organic Chemistry              |
|                           |   |   | MSCH202c                                | Special Paper in Physical Chemistry             |
|                           |   |   | MSPH202                                 | Advanced Semiconductor Devices                  |
|                           |   | MSMA202   | Measure and Integration                 |   |
| 03.05.2024<br>(Friday)    | MSBT104                                 | Microbiology and Industrial Applications                |   |   |
|                           | MSCH104                                 | Photochemistry and Pericyclic Reaction and Spectroscopy |   |   |
|                           | MSPH104                                 | Stastical Mechanics                                     |   |   |
|                           | MSMA104                                 | Partial Differential Equation                           |   |   |
| 04.05.2024<br>(Saturday)  |   |   | MSPH204                                 | Space and Atmosphere Science                    |
|                           |   |   | MSCH206h                                | Forensic Chemical Investigation                 |
|                           |   |   | MSMA212                                 | Approximation Theory                            |

*R. Pandey*

| Date & Day                | Second Semester<br>02.00 PM to 05.00 PM |  | Fourth Semester<br>02.00 PM to 05.00 PM |                               |
|---------------------------|---|--|---|-------------------------------|
| 06.05.2024<br>(Monday)    | MSBT106                                 | Genetic Engineering                                    | MSBT2065                                | Bioenergy                     |
|                           | MSCH106                                 | Thermodynamics, Chemical bonding and Surface Chemistry |   |                               |
|                           | MSPH106                                 | Computational Methods                                  |   |                               |
