"Elastic" Export Control Information Disclaimer:

1. General Information: The export control information provided on this Website may not reflect the most current legal or regulatory developments, and Elastic does not represent, warrant, or guarantee that it is complete, accurate or up to date. It is not intended as legal advice or an exhaustive interpretation of the export control laws and regulations. For specific guidance, you should consult with your legal counsel, export professional or relevant governmental authorities.

2. Export Control Classification: The Export Control Classification Number ("ECCN") for Elastic products are provided in order to help facilitate export operations. Our products and services, including encryption software, are subject to export control laws and regulations, which may include licensing requirements and restrictions on destinations, end-users, and end-uses. The ECCN and applicable controls for each product may vary. It is your responsibility to ensure compliance with the relevant export control requirements.

3. No Elastic products or service may be sold, exported, or re-exported to an individual or entity located in an embargoed country or on any applicable government sanctions lists, including the U.S. Treasury Department's list of Specially Designated Nationals, or on the U.S. Commerce Department's Denied Persons List or Entity List. Such prohibition includes the following countries: Cuba, Iran, North Korea, Sudan, Syria, Russia, Belarus, and the Crimea, Luhansk, and Donetsk regions of Ukraine.

By accessing and using the export control information on this Website, you agree to release Elastic from any liability related to your compliance or non-compliance with applicable export control laws and regulations.
