§ 306. Billing practices

The Truth in Lending Act (15 U.S.C. 1601–1665) is amended by adding at the end thereof a new chapter as follows:

“Chapter 4—CREDIT BILLING

“Sec.

“161. Correction of billing errors.

“162. Regulation of credit reports.

“163. Length of billing period.

“164. Prompt crediting of payments.

“165. Crediting excess payments.

“166. Prompt notification of returns.

“167. Use of cash discounts.

“168. Prohibition of tie-in services.

“169. Prohibition of offsets.

“170. Rights of credit card customers.

“§ 161. Correction of billing errors

15 USC 1666.

“(a) If a creditor, within sixty days after having transmitted to an obligor a statement of the obligor’s account in connection with an extension of consumer credit, receives at the address disclosed under section 127(b)(11) a written notice (other than notice on a payment stub or other payment medium supplied by the creditor if the creditor so stipulates with the disclosure required under section 127(a)(8)) from the obligor in which the obligor—

Ante, p. 1511.

Ante, p. 1511.

“(1) sets forth or otherwise enables the creditor to identify the name and account number (if any) of the obligor,

“(2) indicates the obligor’s belief that the statement contains a billing error and the amount of such billing error, and

“(3) sets forth the reasons for the obligor’s belief (to the extent applicable) that the statement contains a billing error, the creditor shall, unless the obligor has, after giving such written notice and before the expiration of the time limits herein specified, agreed that the statement was correct—

“(A) not later than thirty days after the receipt of the notice, send a written acknowledgement thereof to the obligor, unless the action required in subparagraph (B) is taken within such thirty-day period, and

“(B) not later than two complete billing cycles of the creditor (in no event later than ninety days) after the receipt of the notice and prior to taking any action to collect the amount, or any part thereof, indicated by the obligor under paragraph (2) either—

“(i) make appropriate corrections in the account of the obligor, including the crediting of any finance charges on amounts erroneously billed, and transmit to the obligor a notification of such corrections and the creditor’s explanation of any change in the amount indicated by the obligor under paragraph (2) and, if any such change is made and the obligor so requests, copies of documentary evidence of the obligor’s indebtedness; or

“(ii) send a written explanation or clarification to the obligor, after having conducted an investigation, setting forth to the extent applicable the reasons why the creditor believes the account of the obligor was correctly shown in the statement and, upon request of the obligor, provide copies of documentary evidence of the obligor’s indebtedness. In the case of a billing error where the obligor alleges that the creditor’s billing statement reflects goods not delivered to

the obligor or his designee in accordance with the agreement made at the time of the transaction, a creditor may not construe such amount to be correctly shown unless he determines that such goods were actually delivered, mailed, or otherwise sent to the obligor and provides the obligor with a statement of such determination.

After complying with the provisions of this subsection with respect to an alleged billing error, a creditor has no further responsibility under this section if the obligor continues to make substantially the same allegation with respect to such error.

“(b) For the purpose of this section, a ‘billing error’ consists of any of the following:

Definitions.

“(1) A reflection on a statement of an extension of credit which was not made to the obligor or, if made, was not in the amount reflected on such statement.

“(2) A reflection on a statement of an extension of credit for which the obligor requests additional clarification including documentary evidence thereof.

“(3) A reflection on a statement of goods or services not accepted by the obligor or his designee or not delivered to the obligor or his designee in accordance with the agreement made at the time of a transaction.

“(4) The creditor’s failure to reflect properly on a statement a payment made by the obligor or a credit issued to the obligor.

“(5) A computation error or similar error of an accounting nature of the creditor on a statement.

“(6) Any other error described in regulations of the Board.

“(c) For the purposes of this section, ‘action to collect the amount, or any part thereof, indicated by an obligor under paragraph (2)’ does not include the sending of statements of account to the obligor following written notice from the obligor as specified under subsection (a), if—

“(1) the obligor’s account is not restricted or closed because of the failure of the obligor to pay the amount indicated under paragraph (2) of subsection (a), and

“(2) the creditor indicates the payment of such amount is not required pending the creditor’s compliance with this section.

Nothing in this section shall be construed to prohibit any action by a creditor to collect any amount which has not been indicated by the obligor to contain a billing error.

“(d) Pursuant to regulations of the Board, a creditor operating an open end consumer credit plan may not, prior to the sending of the written explanation or clarification required under paragraph (B) (ii), restrict or close an account with respect to which the obligor has indicated pursuant to subsection (a) that he believes such account to contain a billing error solely because of the obligor’s failure to pay the amount indicated to be in error. Nothing in this subsection shall be deemed to prohibit a creditor from applying against the credit limit on the obligor’s account the amount indicated to be in error.

Noncompliance.

“(e) Any creditor who fails to comply with the requirements of this section or section 162 forfeits any right to collect from the obligor the amount indicated by the obligor under paragraph (2) of subsection (a) of this section, and any finance charges thereon, except that the amount required to be forfeited under this subsection may not exceed \$50.

§ 162. Regulation of credit reports

“(a) After receiving a notice from an obligor as provided in section 161 (a), a creditor or his agent may not directly or indirectly threaten

15 USC 1666a.

to report to any person adversely on the obligor's credit rating or credit standing because of the obligor's failure to pay the amount indicated by the obligor under section 161(a)(2), and such amount may not be reported as delinquent to any third party until the creditor has met the requirements of section 161 and has allowed the obligor the same number of days (not less than ten) thereafter to make payment as is provided under the credit agreement with the obligor for the payment of undisputed amounts.

“(b) If a creditor receives a further written notice from an obligor that an amount is still in dispute within the time allowed for payment under subsection (a) of this section, a creditor may not report to any third party that the amount of the obligor is delinquent because the obligor has failed to pay an amount which he has indicated under section 161(a)(2), unless the creditor also reports that the amount is in dispute and, at the same time, notifies the obligor of the name and address of each party to whom the creditor is reporting information concerning the delinquency.

“(c) A creditor shall report any subsequent resolution of any delinquencies reported pursuant to subsection (b) to the parties to whom such delinquencies were initially reported.

“§ 163. Length of billing period

15 USC 1666b.

“(a) If an open end consumer credit plan provides a time period within which an obligor may repay any portion of the credit extended without incurring an additional finance charge, such additional finance charge may not be imposed with respect to such portion of the credit extended for the billing cycle of which such period is a part unless a statement which includes the amount upon which the finance charge for that period is based was mailed at least fourteen days prior to the date specified in the statement by which payment must be made in order to avoid imposition of that finance charge.

“(b) Subsection (a) does not apply in any case where a creditor has been prevented, delayed, or hindered in making timely mailing or delivery of such periodic statement within the time period specified in such subsection because of an act of God, war, natural disaster, strike, or other excusable or justifiable cause, as determined under regulations of the Board.

“§ 164. Prompt crediting of payments

15 USC 1666c.

“Payments received from an obligor under an open end consumer credit plan by the creditor shall be posted promptly to the obligor's account as specified in regulations of the Board. Such regulations shall prevent a finance charge from being imposed on any obligor if the creditor has received the obligor's payment in readily identifiable form in the amount, manner, location, and time indicated by the creditor to avoid the imposition thereof.

“§ 165. Crediting excess payments

15 USC 1666d.

“Whenever an obligor transmits funds to a creditor in excess of the total balance due on an open end consumer credit account, the creditor shall promptly (1) upon request of the obligor refund the amount of the overpayment, or (2) credit such amount to the obligor's account.

“§ 166. Prompt notification of returns

15 USC 1666e.

“With respect to any sales transaction where a credit card has been used to obtain credit, where the seller is a person other than the card issuer, and where the seller accepts or allows a return of the goods or forgiveness of a debit for services which were the subject of such sale, the seller shall promptly transmit to the credit card issuer, a credit statement with respect thereto and the credit card issuer shall credit the account of the obligor for the amount of the transaction.

“§ 167. Use of cash discounts

“(a) With respect to credit card which may be used for extensions of credit in sales transactions in which the seller is a person other than the card issuer, the card issuer may not, by contract or otherwise, prohibit any such seller from offering a discount to a cardholder to induce the cardholder to pay by cash, check, or similar means rather than use a credit card.

15 USC 1666f.

“(b) With respect to any sales transaction, any discount not in excess of 5 per centum offered by the seller for the purpose of inducing payment by cash, check, or other means not involving the use of a credit card shall not constitute a finance charge as determined under section 106, if such discount is offered to all prospective buyers and its availability is disclosed to all prospective buyers clearly and conspicuously in accordance with regulations of the Board.

“§ 168. Prohibition of tie-in services

“Notwithstanding any agreement to the contrary, a card issuer may not require a seller, as a condition to participating in a credit card plan, to open an account with or procure any other service from the card issuer or its subsidiary or agent.

15 USC 1666g.

“§ 169. Prohibition of offsets

“(a) A card issuer may not take any action to offset a cardholder's indebtedness arising in connection with a consumer credit transaction under the relevant credit card plan against funds of the cardholder held on deposit with the card issuer unless—

15 USC 1666h.

“(1) such action was previously authorized in writing by the cardholder in accordance with a credit plan whereby the cardholder agrees periodically to pay debts incurred in his open end credit account by permitting the card issuer periodically to deduct all or a portion of such debt from the cardholder's deposit account, and

“(2) such action with respect to any outstanding disputed amount not be taken by the card issuer upon request of the cardholder.

In the case of any credit card account in existence on the effective date of this section, the previous written authorization referred to in clause (1) shall not be required until the date (after such effective date) when such account is renewed, but in no case later than one year after such effective date. Such written authorization shall be deemed to exist if the card issuer has previously notified the cardholder that the use of his credit card account will subject any funds which the card issuer holds in deposit accounts of such cardholder to offset against any amounts due and payable on his credit card account which have not been paid in accordance with the terms of the agreement between the card issuer and the cardholder.

“(b) This section does not alter or affect the right under State law of a card issuer to attach or otherwise levy upon funds of a cardholder held on deposit with the card issuer if that remedy is constitutionally available to creditors generally.

“§ 170. Rights of credit card customers

“(a) Subject to the limitation contained in subsection (b), a card issuer who has issued a credit card to a cardholder pursuant to an open end consumer credit plan shall be subject to all claims (other than tort claims) and defenses arising out of any transaction in which the credit card is used as a method of payment or extension of credit if (1) the obligor has made a good faith attempt to obtain satisfactory resolution of a disagreement or problem relative to the transaction from the person honoring the credit card; (2) the amount of the initial

15 USC 1666i.

transaction exceeds \$50; and (3) the place where the initial transaction occurred was in the same State as the mailing address previously provided by the cardholder or was within 100 miles from such address, except that the limitations set forth in clauses (2) and (3) with respect to an obligor's right to assert claims and defenses against a card issuer shall not be applicable to any transaction in which the person honoring the credit card (A) is the same person as the card issuer, (B) is controlled by the card issuer, (C) is under direct or indirect common control with the card issuer, (D) is a franchised dealer in the card issuer's products or services, or (E) has obtained the order for such transaction through a mail solicitation made by or participated in by the card issuer in which the cardholder is solicited to enter into such transaction by using the credit card issued by the card issuer.

"(b) The amount of claims or defenses asserted by the cardholder may not exceed the amount of credit outstanding with respect to such transaction at the time the cardholder first notifies the card issuer or the person honoring the credit card of such claim or defense. For the purpose of determining the amount of credit outstanding in the preceding sentence, payments and credits to the cardholder's account are deemed to have been applied, in the order indicated, to the payment of: (1) late charges in the order of their entry to the account; (2) finance charges in order of their entry to the account; and (3) debits to the account other than those set forth above, in the order in which each debit entry to the account was made.

§ 171. Relation to State laws

15 USC 1666j.

"(a) This chapter does not annul, alter, or affect, or exempt any person subject to the provisions of this chapter from complying with, the laws of any State with respect to credit billing practices, except to the extent that those laws are inconsistent with any provision of this chapter, and then only to the extent of the inconsistency. The Board is authorized to determine whether such inconsistencies exist. The Board may not determine that any State law is inconsistent with any provision of this chapter if the Board determines that such law gives greater protection to the consumer.

"(b) The Board shall by regulation exempt from the requirements of this chapter any class of credit transactions within any State if it determines that under the law of that State that class of transactions is subject to requirements substantially similar to those imposed under this chapter or that such law gives greater protection to the consumer, and that there is adequate provision for enforcement."

§ 502. Findings and purpose

The Congress finds that there is a need to insure that the various financial institutions and other firms engaged in the extensions of credit exercise their responsibility to make credit available with fairness, impartiality, and without discrimination on the basis of sex or marital status. Economic stabilization would be enhanced and competition among the various financial institutions and other firms engaged in the extension of credit would be strengthened by an absence of discrimination on the basis of sex or marital status, as well as by the informed use of credit which Congress has heretofore sought to promote. It is the purpose of this Act to require that financial institutions and other firms engaged in the extension of credit make that credit equally available to all creditworthy customers without regard to sex or marital status.

TITLE VI—DISPOSITION OF ABANDONED MONEY ORDERS AND TRAVELER'S CHECKS

FINDINGS

SEC. 601. The Congress finds and declares that—

12 USC 2501.

(1) the books and records of banking and financial organizations and business associations engaged in issuing and selling money orders and traveler's checks do not, as a matter of business practice, show the last known addresses of purchasers of such instruments;

(2) a substantial majority of such purchasers reside in the States where such instruments are purchased;

(3) the States wherein the purchasers of money orders and traveler's checks reside should, as a matter of equity among the several States, be entitled to the proceeds of such instruments in the event of abandonment;

(4) it is a burden on interstate commerce that the proceeds of such instruments are not being distributed to the States entitled thereto; and

(5) the cost of maintaining and retrieving addresses of purchasers of money orders and traveler's checks is an additional burden on interstate commerce since it has been determined that most purchasers reside in the State of purchase of such instruments.

DEFINITIONS

12 USC 2502.

(1) “banking organization” means any bank, trust company, savings bank, safe deposit company, or a private banker engaged in business in the United States;

(1) if the books and records of such banking or financial organization or business association show the State in which such

money order, traveler's check, or similar written instrument was purchased, that State shall be entitled exclusively to escheat or take custody of the sum payable on such instrument, to the extent of that State's power under its own laws to escheat or take custody of such sum;

(2) if the books and records of such banking or financial organization or business association do not show the State in which such money order, traveler's check, or similar written instrument was purchased, the State in which the banking or financial organization or business association has its principal place of business shall be entitled to escheat or take custody of the sum payable on such money order, traveler's check, or similar written instrument, to the extent of that State's power under its own laws to escheat or take custody of such sum, until another State shall demonstrate by written evidence that it is the State of purchase; or

(3) if the books and records of such banking or financial organizations or business association show the State in which such money order, traveler's check, or similar written instrument was purchased and the laws of the State of purchase do not provide for the escheat or custodial taking of the sum payable on such instrument, the State in which the banking or financial organization or business association has its principal place of business shall be entitled to escheat or take custody of the sum payable on such money order, traveler's check, or similar written instrument, to the extent of that State's power under its own laws to escheat or take custody of such sum, subject to the right of the State of purchase to recover such sum from the State of principal place of business if and when the law of the State of purchase makes provision for escheat or custodial taking of such sum.
