Freelance Artist/Photographer Submission Guidelines

Llewellyn Worldwide is well known for its New Age books and products. We are looking for skilled freelance artists and photographers for a variety of projects including book covers, book interiors, and calendars. It is an asset, but not necessary, to have a good knowledge of the subject matter: magic, Wicca, astrology, tarot, yoga, mythology, women's spirituality, health, gardening, self transformation, etc.

We utilize a wide variety of styles and mediums, ranging from abstract to realistic imagery, in full color or black and white. Submissions should consist of a portfolio which reflects the artist's range of capabilities and styles. Art is commissioned on a project basis and selection is based on style and degree of artistic proficiency.

Electronic portfolios in the form of a web site or PDF are preferred. Jpegs are also acceptable. Images do not need to be hi res, but should be a large enough size to be clearly assessed on a monitor.

If submitting traditional, hard copies of artwork, please send non-returnable samples of your work. Do not send original artwork.

With your submission, please include a brief cover letter referencing your training, style, and medium along with the best way to contact you. Agencies and artist reps are also encouraged to contact us. Unfortunately, we do not have the resources to respond to every submission. Your portfolio will be kept on file if we feel there may be a potential assignment in the future.

All digital submissions or web sites may be emailed to artsubmissions@llewellyn.com using "web site submission" in the subject field. There is a 10 MG limit on any incoming email.

If submitting hard copies, please mail your non-returnable submissions to:
