*Any studio course may be used as a studio elective.

Visual Arts Practice (VAP) 07:081:105 (2) Pass/Fail

The two semesters of “Introduction to Art History” may be taken out of order and are prerequisites for “Seminar in Contemporary Art A.”

Students are also required to take two credits of Visual Arts Practice (VAP) 07:081:105, a supervised practical experience within the department’s studios, computer or photo labs, or galleries, or specific projects outside the departments in the fields students may pursue after graduation. One Byrne Seminar may count as 1 VAP credit.

Additionally, students take a minimum of 12 credits of studio electives within the Department of Art & Design via courses in drawing, design, media, painting, print, photography, and sculpture. Students may take more than 12 credits.

Byrne Seminar may count as 1VAP.
