Note: The figures do not correspond to those in the report before 2017 because recalculations were done due to omissions in reporting (released on March 29, 2019) for 2004, 2006 and 2009-2017 from prefectures.

C.V.D. ← Cerebrovascular diseases

Pneu. & Bronch. ← Pneumonia & Bronchitis

Accidents ← Accidents and adverse effects till 1994.

Senility ← Senility without mention of psychosis till 1994.

Heart diseases ← Heart diseases (excluding hypertensive heart diseases)

1) Excluding Okinawa prefecture for 1947-1972
