

CLASSROOM PODIUM QUICK START

1

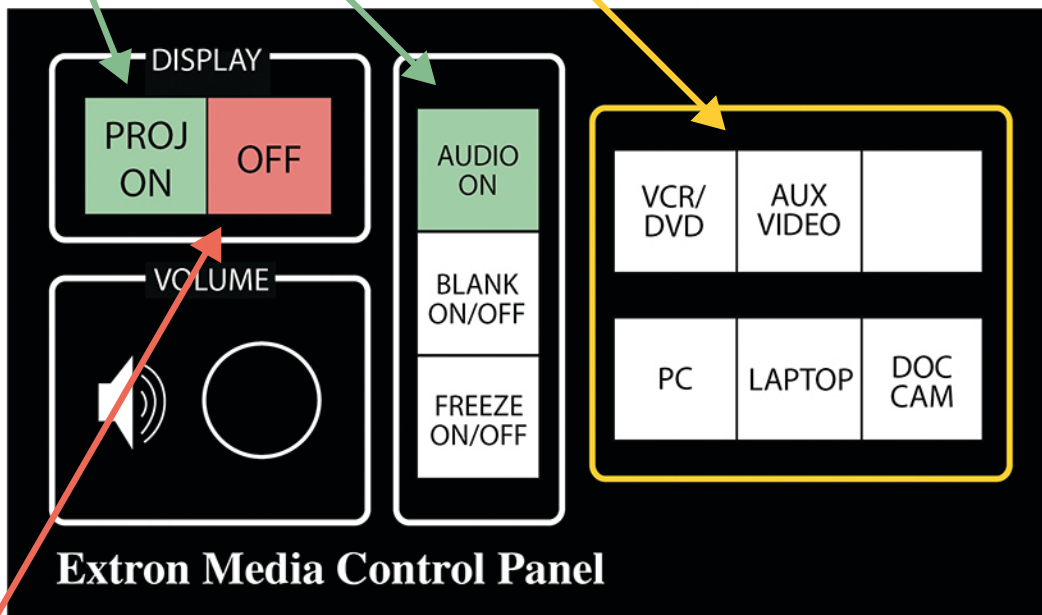

TURN IT ON

To turn on the projector, press the PROJ ON button. To playback audio, press the AUDIO ON button. To conserve energy, the DVD/VCR and doc cam only receive power when projector is on.

2

SELECT DEVICE

Press the button for the device you wish to display on the screen.

3

SHUT IT DOWN

To shut down, press the OFF button. To conserve energy, please remember to also shut down the Computer when finished.
