

2022-2023 TRADITIONAL HALL HOUSING GUIDE

Residential Life and Hospitality Services & Campus Restaurants ♦ Pacific Lutheran University

INTRODUCTION

The Traditional Hall Housing Guide is incorporated into and is part of the Master Housing & Meal Agreement. Students must read, understand and abide by the requirements set out in this Guide in the same way they must comply with the Agreement and the other Publications identified there. The purpose of the Traditional Hall Housing Guide is to provide detail in addition to that in the Master Housing & Meal Agreement and its Terms and Conditions.

HOUSING

Living in university housing is an integral part of the educational experience at PLU. Residential Life has developed its housing rules and regulations to foster an environment that supports co-curricular learning. PLU reserves the right to determine to whom it will provide living accommodations at any given time. When PLU, in its discretion, determines that any individual (resident or guest) residing in its housing is jeopardizing the educational experience for that individual or any PLU student(s), PLU reserves the right to remove that individual from PLU housing accommodations with or without notice, as circumstances warrant. The legal relationship between Student and the University shall be that of a guest and an innkeeper, respectively, and nothing in this Guide or elsewhere shall be construed to give Student any additional possessory or property rights, including but not limited to, those of a tenant under a residential lease.

1. **Residency Requirement.** Pacific Lutheran University requires that all full-time (enrolled in 12 or more semester hours) students live in University housing unless:
 - a. The student lives at home with parent(s), spouse, or child within 25 driving miles of PLU's address (Certified documentation required)
 - b. The student is 20 years of age or older on or before:
 - September 1, 2022 – Student exempt for the academic year.
 - February 1, 2023 – Student exempt for spring semester.
 - c. The student has achieved Junior status (completed 60 semester hours) prior to:
 - September 1, 2022 – Student exempt for the academic year.
 - February 1, 2023 – Student exempt for spring semester.

Students are not required to reside in University housing accommodations during summer sessions.

Eligibility for University housing is restricted to full-time matriculated students registered for, and attending class, in the term in question. Priority for University housing is given to students enrolled for a minimum of 12 semester hours each semester and an approved course of study for January Term. Part-time and "special" students may be assigned housing as space permits. Dropping to part-time status from full-time status does not cancel a housing contract.

Students who qualify to live off campus and choose to do so, but have signed a housing contract, must submit a written cancellation to Residential Life. [Reference Cancellation Fee Schedule below].

A resident student contracts for accommodations in a residence hall, but not for a specific hall, room, or roommate assignment. The University reserves the right to:

1. assign roommates unilaterally,
2. reassign students who are without roommates,
3. use a room when it is not occupied,
4. assign single rooms,
5. reassign students to different rooms or residence halls in the event such reassignments are determined necessary.

Under no circumstances may a student sell, transfer, or sublet his/her contract to any other person, including another student.

A. AVAILABILITY OF ACCOMMODATIONS

1. **Arriving:** Specific room assignments will be made at check-in. The residence halls open to Fall residents on Friday, September 2, 2022, January Term residents on Monday, January 2, 2023 and to Spring residents on Tuesday, February 7, 2023. Students may not occupy or leave personal belongings in any student room or hall before this time unless they are participating in a University scheduled program, and have prior approval from Residential Life personnel. An additional fee may be required.
2. **Checking Out:** Students must check out of their rooms within 24 hours of their last examination each semester. Fall semester residents who cancel their housing for January Term and Spring semester must check out prior to **6:00 p.m. on Friday, December 16, 2022**. January Term residents who cancel their housing for Spring semester must check out prior to 6:00 p.m. on Tuesday, January 31, 2023. In the Spring, the residence halls close at **6:00 p.m. on Friday, May 26, 2023**. Graduating seniors and others approved to participate in commencement, who apply and are approved for Extended Stay Housing, may stay until 6:00 p.m. Saturday, May 27, 2023.
3. **Winter Break:** Residence halls are closed during Winter Break. Space will be provided during the break in a specified hall, at an additional charge, for students who make prior arrangements with Residential Life. The halls will close for Winter Break at 6:00 p.m. on Friday, December 16, 2022 and re-open for January Term at 1:00 p.m. on Monday, January 2, 2023.
4. **January Term:** No student may stay in the residence hall during January Term unless enrolled for an approved course of study (unless prior approval has been obtained through Residential Life), even if the student has resided on campus during the Fall semester and/or will be in the hall for Spring semester. Students found in violation of this policy will be charged for accommodations and a meal plan, and will be subject to disciplinary action. Students living on campus, in a Traditional Hall, during January Term are required to have a meal plan on campus.

Students who will be on campus for less than seven days during January Term must cancel their housing in writing prior to the end of Fall semester, December 16, 2022. Students who do not cancel their housing will be charged for a non-refundable meal plan. Cancellation of housing for January Term will automatically cancel the student's meal plan.

Student belongings may remain in their room if they are planning to return to that room for Spring semester.

Students who live on campus for January Term without also residing on campus for a concurrent Fall or Spring semester will be charged a daily rate for housing accommodations.

5. **Summer Accommodations:** A limited amount of space is available for summer school housing. Dates available and agreed to, are outlined on the Summer housing application.

B. CANCELLATION OR TERMINATION OF TRADITIONAL HALL LIVING ARRANGEMENT

The Master Housing and Meal Agreement is an academic year contract. A student who no longer wishes to live on campus and is eligible to do so based on the University's Residency Requirement must cancel their contract, in writing, to the Department of Residential Life. This includes students who are graduating, studying away,

withdrawing from the University, living off campus, or living at home. By submitting a Housing Cancellation both housing and meal plan contracts are canceled.

This contract may be terminated under the following conditions and may incur contract cancellation penalties [Reference Cancellation Fee Schedule below].

If a student officially cancels enrollment (with Official Withdrawal Form) at PLU; or

If a student violates the terms of this agreement, University regulations, local, state, or federal laws, the University reserves the right to cancel the Housing Contract with no refund of room payment; or

If a student is not required to live on campus as outlined in the Residency Requirement.

1. CANCELLATION FEE SCHEDULE

Students may only cancel an executed housing and meal plan accommodation by providing written notification to the Department of Residential Life. The preferred method is the electronic Housing Cancellation Form found on the Residential Life website (Email or facsimile will also be considered written notice).

Students who cancel PLU housing and meal plan entirely will be subject to the following fees. If written cancellation is received by the Department of Residential Life:

- a. Before June 1, 2022 (for the academic year) or December 1, 2022 (for Spring semester), **no fee will be assessed.**
- b. June 1 to June 30, 2022 (for the academic year) or December 1 to December 31, 2023 (for Spring semester), **a \$200.00 fee will be assessed.**
- c. On or after July 1, 2022 (for the academic year) or January 1, 2023 (for Spring semester), **a \$400.00 fee will be assessed.**

Meal Plan late change fee or cancellation fee may apply. See Meal Plan Requirement for a complete statement of policy.

2. CHARGES FOR ACCOMMODATIONS

Housing and meal charges accrue beginning the day housing is first available. Students requesting housing after the official opening date will be prorated based in accordance with assigned move-in dates dictated by the Department of Residential Life.

For students canceling their housing: effective refund dates will be determined at the discretion of Residential Life from one of the following: Room Inspection Process (completed when checking out of a residence hall room), Official Withdrawal Form, Housing Cancellation Form, or written housing cancellation notice received in the Department of Residential Life. Meal Plan charges may be extended to last use date.

A student having a housing assignment but not returning to PLU must complete one of the above for a refund. Refunds are not provided for unused services or meals except as provided above and/or in the Master Housing and Meal Agreement or Optional Meal Plan Contract. The student will be assessed the appropriate penalty [Reference Cancellation Fee Schedule] in addition to being charged a pro-rated value for the nights of occupancy with the total charge not to exceed one full semester's room charge.

A student enrolled at the University and living off-campus without meeting the terms of the Residency Requirement or receiving approval from the Department of Residential Life, or under false pretenses, is in violation of the Residency Requirement. Such students will be held responsible for the room and meal charges for that period, a hold may be placed on their account, and will be subject to University disciplinary action including possible dismissal from the University.

Room Rates per academic year

Double Occupancy room charge: \$5,480.00
Designed Single: \$6,850.00
Single Double or Single w/Bath: \$7,120.00
Upper Division Single: \$6,580.00

The University reserves the right to confiscate and dispose of alcoholic beverages and/or containers found on the premises. Empty alcohol containers and brewing equipment are similarly prohibited.

Alcohol possession and use is permitted in Stuen Hall under the following guidelines and in South Hall as set forth in the South Hall Housing Guide. The following policy has been established in recognition of, and coordination with, Washington State law and PLU's university policy on Alcoholic Beverages.

1. Possession of an open container of alcohol and/or consumption of alcohol in Stuen Hall common areas (hallways, lounges, kitchens etc.) is prohibited.
2. Alcoholic beverages are only permitted in Stuen Hall common areas as they are being transported to a resident room where alcohol is permitted.
3. Possession and/or consumption of alcohol in a resident room is permitted if the assigned resident is 21 years of age or older.
4. In resident rooms where alcohol is permitted, all guests present when alcohol is open must be 21 years of age or older.
5. Activities and devices facilitating or promoting excessive consumption of alcohol, including but not limited to: drinking games, funnels, beer bongs, common-source containers (kegs, pony kegs, party balls, etc.), are prohibited.
6. This policy is intended to allow for personal, responsible use; therefore, the possession of large quantities of alcohol is prohibited, including, but not limited to: multiple cases of beer, wine or liquor, and stocked bars.

Reported violation of this policy will result in a referral to Student Rights and Responsibilities. Students found responsible for violating this policy will face possible sanctions including loss of privilege and possible removal from university housing. Students who choose to consume alcohol under the terms of this policy are solely responsible for any consequences that may occur as a result. PLU disclaims any responsibility for actions or consequences resulting from individual alcohol consumption regardless of whether consumption is in accordance with or violation of this policy.

Also see:

- Student Code of Conduct, Alcoholic Beverages.

2. **Illegal Drugs** — The use, possession, or distribution – or in any way assisting anyone to use, possess or distribute – any dangerous and/or illegal drugs, narcotics, hallucinogens, or acids (as defined by Federal Law, which includes cannabis as an illegal drug, and the R.C.W. Controlled Substance Act F) is prohibited in PLU residence halls. Prohibited substances and/or paraphernalia will be confiscated and disposed of by University staff members and/or representative(s) from the Pierce County Sheriff's Office and appropriate disciplinary action initiated.

Also see:

- Student Code of Conduct, Illegal Drugs

3. **Furnishings and Responsibility for Institutional Property** — The University will furnish each student with a single bed, desk, chair, room light, dresser, closet and blinds. Students must provide their own study lamps, linens, rugs, and other furnishings. (See below for prohibited items.) Laundry facilities are available in all residence halls.

University furnishings **may not be removed** from student rooms, lounges or halls. Exceptions to this policy must be approved through the Director of Residential Life or designee. All attached room furnishings must remain attached. Penalties for moving such furnishings may include fines and/or disciplinary proceedings.

At check-in each student is required to complete the Room Inspection process to note the starting condition of the room and furnishings. Failure to complete the Room Inspection process will result in an improper check-in charge. Moving into a room without prior approval will result in an improper check-in charge.

Upon check-out, the occupant(s) of the room will be charged if inspection by University staff reveals damages or uncleanliness beyond normal wear to the room and/or its furnishings. At any time, if individual responsibility for damage, loss or defacement cannot be determined, charges may be assessed equally to floor residents for damage to their floor facilities or to all hall residents for damage to hall facilities.

Limited storage space is available to students during the academic year. Students who will be returning in the fall are eligible to store items during the summer months. Only space for boxed personal items will be available. Access will be restricted to specific times of year. See Storage Room Guidelines for a complete statement of policy.

Non-PLU lofts/bunks are prohibited on-campus. All lofts/bunks must only be University provided. Such benefits and services include, but are not limited to, statements of honorable dismissal, grade reports, transcripts of records, diplomas, letters of recommendation, pre-registrations, admittance to classes, housing in the residence halls and the use of University facilities.
