INVENIO

Powering Open Science

<https://inveniosoftware.org/>

 **Framework**

Open Source framework for large-scale digital repositories

 **RDM**

Turn-key Research Data Management repository

 **ILS**

Integrated Library System

Free Open Source Software

Invenio is Free Open Source Software supported by a committed community of multidisciplinary institutions.

[Code](#) | [Docs](#) | [Examples](#)

Friendly and Responsive Community

Although Invenio was born at CERN, its community is growing bigger every day. Talk to the team now in our chatroom or forum.

[Chatroom](#) | [Forum](#) | [Get Involved](#) | [Events](#)

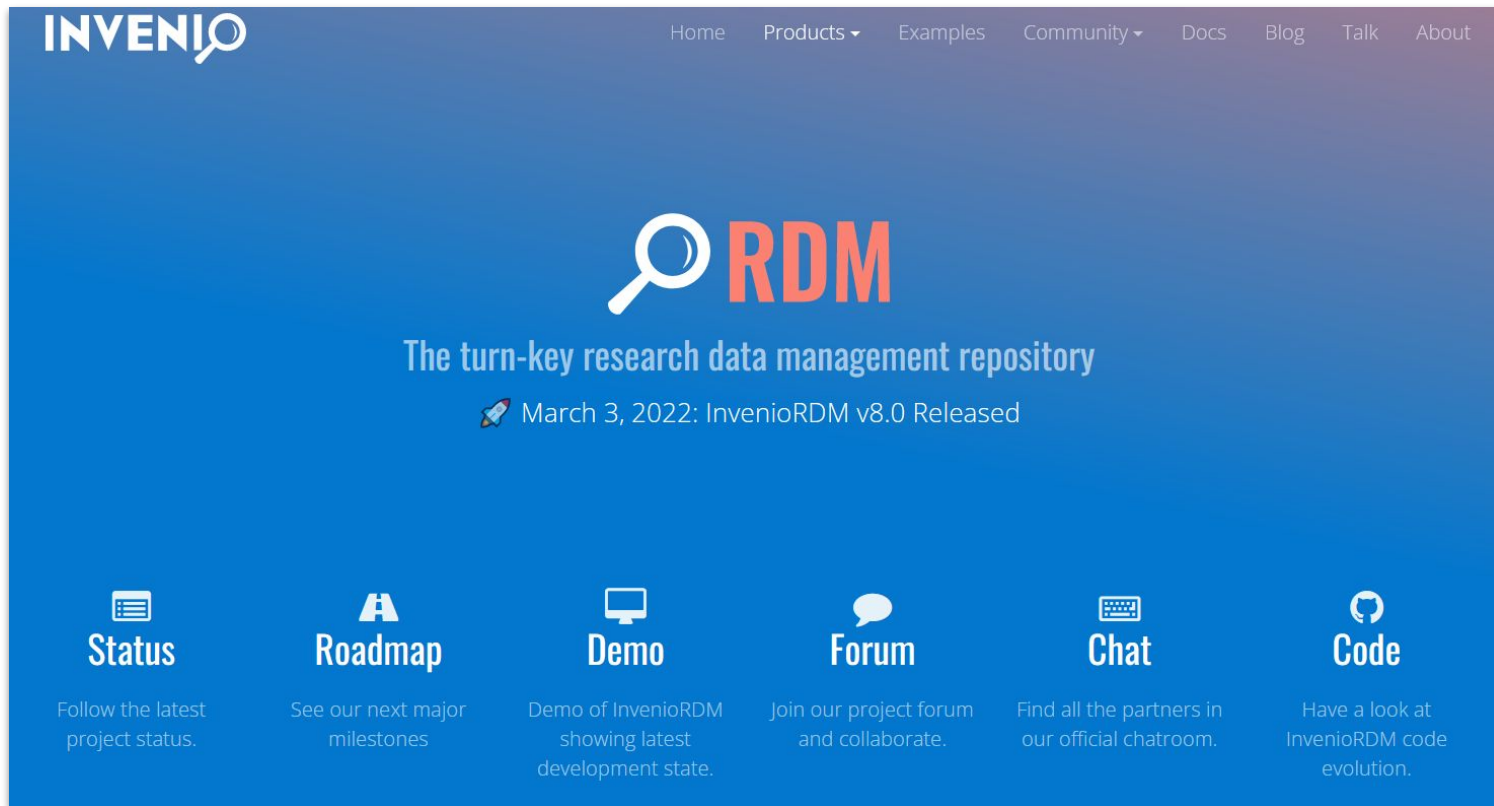

The "Safe bet"

Invenio community has been around for 20 years. **Solid services** have been built on top of it to ensure long-term confidence.

InvenioRDM Homepage: inveniosoftware.org

The screenshot shows the homepage of InvenioRDM. At the top left is the 'INVENIO' logo with a magnifying glass icon. The top right navigation bar includes links for Home, Products, Examples, Community, Docs, Blog, Talk, and About. The main content area features a large 'RDM' logo with a magnifying glass icon, followed by the tagline 'The turn-key research data management repository'. A news item with a rocket icon states 'March 3, 2022: InvenioRDM v8.0 Released'. Below this are six navigation cards: Status (with a list icon), Roadmap (with a road icon), Demo (with a monitor icon), Forum (with a speech bubble icon), Chat (with a keyboard icon), and Code (with a GitHub icon). Each card includes a brief description of the link's purpose.

Governance

- Participating Organizations
- Roles & Responsibilities
- Decision-Making
- Interest and Task Groups
- Code of Conduct
 - Endorse Python Community Code of Conduct
- Reporting & Communication
 - Milestone Reporting
 - Share Meaningful Contributions
 - Annual Meeting

Letters of Commitment

- Required once per year
- Outlines an organization's total annual commitment to InvenioRDM, which can include but is not limited to:
 - Developer time
 - Testing time
 - Time attending biweekly telecons and annual meeting
 - Time contributed toward interest and task groups
 - Efforts to share your work on InvenioRDM with the community (e.g. through conference presentations, blog posts, etc.)

Onboarding Resources

The screenshot shows the InvenioRDM website's onboarding page. The header includes the InvenioRDM logo, the tagline 'Turn-key research data management repository', a search bar, and a GitHub link. The left sidebar lists navigation options: 'Onboard & Contribute', 'Overview', 'Onboarding', 'Code of conduct', 'Copyright policy', 'Roadmap', and 'Translators guide'. The main content area is titled 'Onboarding' and contains a welcome message, a link to important resources, and a 'For everyone' section with a list of links to various community resources. A 'Table of contents' sidebar on the right lists 'For everyone', 'For developers', and 'Current Interest Groups'. The footer of the page is partially visible, showing 'For developers'.
